

ROYAL OBSERVER CORPS

Did YOU or someone you know serve in the ROC ?

Images by kind cooperation of the ROC Museum

The ROC stood down from its duties in 1995 after 70 proud years serving in war and peacetime. Many thousands of men and women gave valuable service over that time.

The Royal Observer Corps Benevolent Fund continues to serve those who once served their country. The Fund provides help and relief for former members in need, hardship or distress. It could help you or someone you know who is a former member.
